

WHISPERING PINES SPRING HORSE RECITAL

Sunday May 18, 2014 from 2-4pm*

This is not a competition. All students are invited to show off their skills and should be encouraged to do so. This is a way of allowing the whole family including grandparents, siblings and friends to see the students in a non-threatening show type atmosphere. It is the same as any recital- no pressure just lots of fun. There is a little something special each participant will receive, although it is supposed to be a secret.

What to wear? Riders should wear what they usually wear during their regular classes. Most will wear a Whispering Pines Tee shirt available in our Tack shop @ \$15 each.

Many of you will take vacations during the summer months; I will have classes, generally in the mornings. We have Day Camps with extended stay and Bible camp too. During the months of June, July, and August, most people will take some vacations. Hopefully, my family will too. During the summer months, we are lenient on the six week payment plan. Don't miss a whole summer of riding! Ride in camps- riders usual bump up one level riding every day for a week or schedule a few privates.

Day camps are June 16-20, June 23-27, July 14-18 and August 4-8.

There will be days that students can come out and help with large tour groups doing pony rides and other activities at the barn. In addition, we have mission groups coming to do repairs, painting and beautify the barn, fences and prayer garden. If your child, or your whole family, would like to help, please ask me for permission and times before arriving at the barn.

Thank you for your support of Whispering Pines Stables. Debbie Webster- owner.

*approximate time- should finish by this time or earlier

PLEASE DETACH AND FILL OUT THE FORM BELOW
AND RETURN IT TO DEBBIE WITH PAYMENT

\$30 ENTRY FEE MUST ACCOMPANY THIS FORM
